

OTEK Construction Services Inc.

Company Profile

High-Performance Construction Solutions for Guyana & the Caribbean

📍 Georgetown, Guyana ✉️ otek.construction.inc@gmail.com

1 About Us

OTEK Construction Services Inc. is a modern, technology-driven construction company led by founders and executives with decades of experience in civil engineering, architecture, and contracting. While newly established in Guyana, OTEK operates with mature governance, advanced tools, and high-performance delivery standards.

We are committed to delivering excellence in every project, from initial consultation through to completion, with a focus on quality, safety, and client satisfaction.

Our Mission

To provide high-quality construction services that exceed client expectations while maintaining the highest standards of safety, sustainability, and professionalism.

Our Vision

To be the leading construction company in Guyana and the Caribbean, recognized for innovation, integrity, and exceptional project delivery.
